

ICGP International Junior Investigator Awards

International College of Geriatric Psychoneuropharmacology

Guidelines:

- ◆ The ICGP International Junior Investigator Award is open to individuals worldwide, independent of nationality, sex or race.
- ◆ Those nominated may be researchers or clinicians, but must have made a commitment to the field of geriatric psychoneuropharmacology.
- ◆ Individuals must have a doctorate degree, be working full-time in research, teaching, or clinical activities relevant to geriatric psychoneuropharmacology. They must not be more than 8 years past the completion of their terminal degree and be no higher than the Assistant Professor level.

To submit a nomination, send a disk containing the following application materials in English by the May 1, 2010 deadline (The application form is available on the ICGP website www.icgp.org and may also be completed and submitted online or electronically to icgp@icgp.org):

- 1) The nominee's curriculum vitae including a list of publications and/or research support and/or teaching and/or clinical responsibilities;
- 2) A 300-500 word **Applicant's Statement**. Starting a new page, and with your name at the top, briefly describe your current major research theme(s) and/or relevant professional responsibilities. Major relevant contributions should be included with a description of their overall significance and importance to the Mission of the ICGP. A brief statement of future directions also needs to be included;
- 3) Letter of recommendation from a senior scientist who will be the sponsor and can knowledgeably address the candidate's interest, involvement and accomplishments in the field of psychoneuropharmacology;
- 4) This completed application form.
